Expert Lecture on Flipped Learning

Session 2022-23

In Mansa College of Education a Expert Lecture on FLIPPED LEARNING in which 137 students from B.Ed., M.Ed. and B.P.Ed. were actively participated in collaboration with DIGITURG LLP for capacity building among students. Flipped learning is a methodology that helps teachers to prioritize active learning during class time by assigning students lecture materials and presentations to be viewed at home or outside of class. One of the most exciting advancements in the modern classroom is flipped learning. It allows students to incorporate foundational information into their long-term memory prior to class. This lightens the cognitive load during class, so that students can form new and deeper connections and develop more complex ideas.

Workshop On IPR (Intellectual Property Rights)

Session 2022-23

In Mansa College of Education a Workshop on IPR (Intellectual Property Right) in which all faculty members were actively taken part on 26/07/23 in collaboration with Edify Externship Service Pvt. Ltd and the Resource Person was S. Mannmad Rao (Director Edify Externship Service Pvt. Ltd). IPR awareness workshops are essential for the growth of a nation. Awareness of Intellectual Property Rights will help protect national patents and bring investments and development to a country. The aim is to train the participants about the mechanism of accessing and using IPR information for further research and development in developing new products and process and for their use in business development. The participants of the workshop will be able to understand the procedures to convert the research outcome into patents.

Workshop On Chalk Making
Session 2022-23

On July 21, 2023, a collaborative workshop on chalk making was organized in partnership with the International Educational Training Association (IETA). The workshop aimed at enhancing capacity building among students in the field of chalk production and its related processes.

The event took place at Mansa College of Education and a total of 119 students participated, coming from various educational institutions. The workshop was designed to provide hands-on experience and knowledge about chalk production techniques, materials, and quality control measures. The participants were guided through the step-by-step process of chalk making, from raw materials selection to the final product packaging.

During the workshop, the following key aspects were covered:

Raw Materials and Ingredients: The participants were introduced to the various components used in chalk production, including plaster of Paris, calcium carbonate, and coloring agents.

Mixing and Moulding: Practical sessions involved hands-on mixing of ingredients and moulding the chalk into various shapes and sizes.

Drying and Curing: The participants were educated about the importance of proper drying and curing conditions to ensure chalk quality.

Quality Control: Quality assurance techniques were discussed, emphasizing the importance of consistent size, shape, and texture of chalk.

Innovations in Chalk Making: The workshop also showcased some innovative techniques and ideas in chalk production, including eco-friendly options and chalkboard paint.

Packaging and Distribution: The final session covered the appropriate packaging and distribution strategies for the finished chalk products.

The workshop concluded with a Q&A session, allowing participants to clarify their doubts and seek further insights from the experts. Certificates of participation were distributed to all attendees, acknowledging their active involvement and learning throughout the workshop. The collaborative effort between Mansa College of Education and IETA contributed significantly to the success of the chalk making workshop.

We extend our heartfelt gratitude to the organizers, participants, and experts who made this workshop a valuable learning experience. Such collaborative initiatives are essential for fostering knowledge exchange and skill development among students.

ना ना ना प्लास्टिक मुक्त अभियान

Session 2022-23

In Mansa College of Education a Awareness Program on ना ना ना प्लास्टिक मुक्त अभियान on 03/07/23 was organised by Pt. Deendayal Upadhyay Smriti Sansthan with Clean and Green Initiative in which 235 students of B.Ed., M.Ed. and B.ped were actively participated. The Campaign is completely focused on eliminating the single-use of plastic from society so the removal of plastic will remove the problem of cancer by the consumption of goods packed in plastic. In conclusion, saying no to plastic bags is a simple yet effective way to reduce waste and preserve the environment.

different types of paper, thread, adhesives, and cover materials. They also received guidance on selecting appropriate materials for different binding methods.

Advanced Binding Techniques: As the workshop progressed, more advanced book binding techniques were introduced, such as Japanese stab binding and leather binding. Participants were encouraged to experiment with these techniques to create unique and aesthetically pleasing book designs.

Creativity and Design: A segment of the workshop focused on encouraging participants to incorporate creativity and design elements into their book binding projects. This session aimed to inspire participants to think outside the box and personalize their book binding creations.

Collaborative Projects: The workshop emphasized collaboration among participants. They were divided into mixed groups comprising students from different educational backgrounds. Each group worked on a collaborative book binding project, promoting teamwork and interdisciplinary learning.

Outcomes:

By the end of the workshop, participants had gained a comprehensive understanding of various book binding techniques and their applications. They had successfully created a variety of book designs, showcasing their creativity and newfound skills. The collaborative projects demonstrated the potential of interdisciplinary collaboration in creating unique and innovative book binding pieces.

The Book Binding Workshop in collaboration with IETA was a resounding success, providing participants with valuable skills and knowledge in the art of book binding. The event fostered creativity, encouraged collaboration, and empowered participants to explore the world of bookbinding further. The workshop not only enhanced the participants' practical skills but also promoted the appreciation of traditional craftsmanship in an increasingly digital age.

Expert Lecture On Self Learning & Hands On Google Site Platforms

Session 2022-23

The expert lecture on self-learning and hands-on training with the Google Site platform, held on April 26, 2023, in collaboration with Edify Externship Service Private Limited, was a significant success. The event aimed to empower 187 students from various programs, including B.Ed, M.Ed, B.P.Ed, and M.P.Ed, through the enhancement of their self-learning skills and practical experience with the Google Site platform.

Program Highlights:

Keynote Speaker: The event featured a distinguished keynote speaker who addressed the importance of self-directed learning in today's rapidly changing educational landscape. The speaker emphasized the role of self-learning in fostering critical thinking, problem-solving, and adaptability skills.

Google Site Workshop: The hands-on workshop on the Google Site platform was a central component of the event. Participants were guided through the process of creating and customizing websites using this user-friendly tool. They gained insights into web design, content creation, and effective information presentation.

Capacity Building: The program focused on capacity building, equipping students with the skills needed to enhance their professional profiles. Workshops and interactive sessions were designed to empower participants with practical skills that are essential in the modern educational environment.

Collaboration with Edify Externship: The collaboration with Edify Externship Service Private Limited added value to the event. Edify's expertise in educational services complemented the content of the workshop, providing participants with real-world insights and perspectives.

Networking Opportunities: The event provided ample networking opportunities for students to connect with peers from different programs. Participants shared experiences, ideas, and best practices, fostering a collaborative learning environment.

Interactive Discussions: Interactive sessions and panel discussions enabled students to engage directly with the experts and fellow participants. These discussions covered topics such as effective online teaching methodologies, incorporating technology in education, and leveraging Google Site for educational purposes.

The expert lecture and hands-on workshop on self-learning and the Google Site platform proved to be an enriching experience for the 187 students who participated. The event successfully achieved its goal of enhancing self-learning skills and providing practical exposure to a valuable digital tool. The collaboration with Edify Externship Service Private Limited added depth and expertise to the program, ensuring its success. The event will undoubtedly contribute to the professional development and readiness of the participating students as they embark on their educational careers.

implementing ICT solutions, including data security, privacy concerns, and the need for continuous up skilling.

Impact on Education: Mr. Mishra explored how ICT is revolutionizing the education sector. He discussed online learning platforms, interactive content, and the role of AI in personalized learning experiences.

Audience Interaction: The lecture was followed by an interactive Q&A session. Attendees, including students, faculty members, and industry professionals, engaged in discussions about the practical application of ICT in their respective fields. Mr. Mishra's insightful responses provided attendees with a deeper understanding of the possibilities and limitations of ICT.

In conclusion, the guest lecture on ICT mediated activities by Mr. Ravi Mishra was a resounding success. Attendees gained valuable insights into the transformative power of ICT across various sectors. The event served as an excellent platform for knowledge sharing, networking, and fostering a deeper appreciation for the role of technology in today's world.

The organizers express their sincere gratitude to Mr. Ravi Mishra for sharing his expertise and to all the attendees who contributed to the success of the event.

Health Check-Up Camp Session 2022-23

A health checkup camp was organized at Mansa College of Education on March 16, 2023, with the active participation of 329 students from the B.Ed, M.Ed, and B.P.Ed programs. The event focused on sensitization and humanitarian activities, aiming to raise awareness about health-related issues and provide essential medical services to the college community.

Activities and Highlights:

Health Education Workshops: Students from the medical and healthcare fields led workshops on various health topics, including nutrition, hygiene, mental well-being, and prevention of common illnesses. These interactive sessions aimed to sensitize participants to the importance of maintaining good health practices.

Medical Checkups: A team of healthcare professionals, including doctors, nurses, and paramedics, provided comprehensive medical checkups. Measurements such as blood pressure, body mass index (BMI), and basic vision tests were conducted. Students were provided with personalized advice and recommendations based on their health assessments.

Distribution of Information Pamphlets: Information pamphlets containing valuable health-related tips, guidelines, and resources were distributed to all participants. These materials aimed to reinforce the key messages shared during the workshops.

Blood Donation Drive: In a humanitarian effort, a blood donation drive was organized in collaboration with a local blood bank. Students and staff members actively participated in the drive, contributing to the noble cause of saving lives.

First Aid Training: Basic first aid training was conducted, equipping participants with essential skills to respond effectively in emergency situations. This training aimed to empower students to provide immediate assistance when needed.

The health checkup camp at Mansa College of Education on March 16, 2023, proved to be a successful endeavor in promoting health awareness and humanitarian values among the college community. The collaborative efforts of students from B.Ed, M.Ed, and B.P.Ed programs, along with the participation of healthcare professionals, ensured the event's success. The sensitization activities and medical services provided during the camp contributed to fostering a healthier and more informed college environment.

Shakti Parv

Session 2022-23

On March 8, 2023, Mansa College of Education hosted the Shakti Parv event, a celebration of strength, resilience, and empowerment. The event saw a total of 213 enthusiastic participants from various disciplines, including B.Ed, M.Ed, and B.P.Ed programs.

The event kicked off with an invigorating opening ceremony, where students and faculty members gathered to mark the significance of the occasion. The atmosphere was charged with excitement as participants came together to celebrate the essence of Shakti, symbolizing the power and potential that resides within every individual.

Throughout the day, participants engaged in a range of activities that showcased their talents, teamwork, and determination. The event featured various competitions and workshops tailored to cater to the diverse interests and skills of the attendees. From cultural performances that highlighted the vibrant heritage of the region to collaborative sports activities that promoted camaraderie, the event provided a platform for students to display their capabilities and forge connections with their peers.

The presence of students from different programs, including B.Ed, M.Ed, and B.P.Ed, fostered an environment of interdisciplinary learning and mutual respect. The interactions between participants enriched their experiences, allowing them to learn from one another's perspectives and backgrounds.

The closing ceremony marked the end of a successful and inspiring day. Participants and organizers alike expressed their satisfaction with the event's outcome. The Shakti Parv event not only celebrated the strength within each individual but also demonstrated the potential of unity and collaboration among diverse groups.

In conclusion, the Shakti Parv event held on August 3rd, 2023, at Mansa College of Education was a resounding success. With 213 participants from B.Ed, M.Ed, and B.P.Ed programs, the event effectively showcased the power of unity, talent, and empowerment. The event's impact is expected to resonate within the college community for a long time, inspiring students to recognize and harness their inner strength.

National Science Day

Session 2022-23

The Mansa College of Education commemorated National Science Day on February 28, 2023, with a remarkable event that showcased the institution's dedication to scientific education and exploration. The event witnessed the enthusiastic participation of a total of 119 students hailing from various disciplines, including B.Ed, M.Ed, and B.P.Ed programs.

The program was designed to foster a deeper appreciation for science among the students, encouraging them to engage actively in scientific inquiry and innovation. The day began with an inauguration ceremony graced by esteemed faculty members and guest speakers from the scientific community. These speakers delivered insightful talks that highlighted the significance of scientific advancements in today's world and inspired the students to pursue excellence in their respective fields.

The students actively took part in a range of activities and presentations, underscoring the multidisciplinary nature of scientific exploration. Workshops, seminars, and interactive sessions were organized to facilitate discussions on diverse scientific topics. The students were able to delve into subjects spanning from astronomy and physics to biology and environmental science.

One of the event's highlights was a series of poster presentations and project displays. Students from B.Ed, M.Ed, and B.P.Ed programs showcased their innovative research projects, experiments, and scientific models. This provided an opportunity for cross-disciplinary learning, as students shared insights and learned from one another's work.

The spirit of healthy competition was evident in the enthusiasm with which the students participated in various quizzes and contests related to

FDP on Research Methodology

Session 2022-23

This report provides an overview of the "Research Methodology Faculty Development Program" conducted for the faculty members of B.Ed., M.Ed., B.P.Ed staff in collaboration with Edify Externship Services Pvt. Ltd. The program took place from January 30, 2023, to February 6, 2023, at Mansa College of Education.

Objectives:

The primary objectives of the program were:

- To enhance the research skills and knowledge of the participating faculty members.
- To equip them with the necessary tools and techniques for conducting effective research in the field of education.
- To foster collaboration and exchange of ideas among the participants.

Program Highlights:

The program spanned over 8 days and included a mix of interactive workshops, lectures, group discussions, and hands-on activities. The topics covered included:

- Understanding the Research Process
- Formulating Research Questions and Objectives
- Research Design and Methodology Selection
- Data Collection Techniques
- Data Analysis and Interpretation
- Ethical Considerations in Educational Research

Edify Externship Services Pvt. Ltd. played a pivotal role in providing subject matter experts and resources for the program. Their expertise in education and research added significant value to the content delivered during the program.

Participant Engagement: The participants actively engaged in discussions, shared their experiences, and participated in group activities, enhancing their understanding of research methodology.

Feedback and Impact: Feedback collected at the end of the program indicated a high level of satisfaction among the participants. They expressed enhanced confidence in conducting research projects and appreciated the practical approach of the program. Many participants indicated their interest in applying the newly acquired skills to their ongoing research initiatives.

The "Research Methodology Faculty Development Program" conducted in collaboration with Edify Externship Services Pvt. Ltd. successfully achieved its objectives of enhancing research skills and knowledge among the B.Ed, M.Ed, and B.P.Ed faculty members. The active participation and positive feedback from the participants underscored the effectiveness of the program in equipping educators with the tools for conducting impactful research in the field of education.

मतदाता जागरूकता कार्यक्रम

Session 2022-23

मतदाता जागरूकता कार्यक्रम का आयोजन भिलाई नगर निगम द्वारा किया गया था, जिसका उद्देश्य नागरिकों, विशेष रूप से युवाओं, को मतदान के महत्व के बारे में जागरूक करना और उनके डेमोक्रेटिक प्रक्रिया में भागीदारी की भूमिका को समझाना था। यह कार्यक्रम 6 दिसम्बर 2022 से 6 जनवरी 2023 तक चला और इसमें 100 उत्साही छात्रों की सक्रिय भागीदारी देखी गई।

मुख्य कार्यकारी:

कार्यक्रम के तहत निम्नलिखित व्यक्तियों के प्रशिक्षण के तहत था:

डॉ. पुष्पा

डॉ. संगीता श्रीवास्तव

डॉ. नमिता गौराहा

डॉ. रितिका सोनी

नम्रता भट्ट

कार्यक्रम के बहुत्वपूर्ण पहलु: कार्यक्रम में जागरूकता और इंटरैक्टिव सत्रों की एक श्रृंखला थी जिसका उद्देश्य छात्रों को मतदान के महत्व के बारे में जागरूक करना था और उन्हें जिम्मेदार मतदाता बनाने के लिए प्रेरित करना था। यहां कार्यक्रम के प्रमुख हाइलाइट्स हैं:

जागरूकता वर्कशॉप: विभिन्न वर्कशॉप्स द्वारा विशेषज्ञों की टीम ने वोटिंग के महत्व, चुनाव प्रक्रिया की समझ, और स्थानीय शासन की भूमिका जैसे विषयों पर प्रशिक्षण दिया। इन वर्कशॉप्स को आकर्षक और जागरूक बनाने के लिए प्रस्तुतियों, चर्चाओं और इंटरैक्टिव गतिविधियों का उपयोग किया गया।

मेहमान व्याख्यान: स्थानीय राजनीतिक नेताओं और चुनाव अधिकारियों सहित प्रसिद्ध व्यक्तियों को मेहमान व्याख्यान देने के लिए आमंत्रित किया गया। उन्होंने अपने अनुभव और डेमोक्रेटिक संस्थानों की कार्यप्रणाली और नागरिकों की जिम्मेदारियों के बारे में अपने दृष्टिकोण साझा किए।

जागरूकता अभियान: भाग लेने वाले छात्रों को अपने समुदायों में जागरूकता अभियान बनाने की प्रोत्साहना दी गई। इस पहल का उद्देश्य घटना के परे वोटिंग के महत्व का संदेश प्रसारित करना था, जिससे जिम्मेदार नागरिकता की संस्कृति को प्रोत्साहित किया जा सकता है।

इंटरैक्टिव चर्चाएँ: नियमित इंटरैक्टिव सत्र आयोजित किए गए जहाँ छात्र अपने सवाल पूछ सकते थे और संदेहों को स्पष्ट कर सकते थे। ज्ञानवर्धन के पर्याप्त होने की सुनिश्चिति के लिए उनके सभी प्रश्नों का समाधान किया गया।

नवा बिहान – ग्रामीण खेल प्रतिभा कौशल शिविर

Session 2022-23

Mansa College of Education is one of the prestigious college in central India. The students who takes admission in B.P.Ed course are from different states of our country. They are National and International level players in various sports. Every Year these students have been bringing glory by winning various National and International level sports competitions. Following their achievements, the college decided that our college students should train school students who knows to play the games, but they not have knowledge of new rules and regulations of various sports. For excelling in sports techniques , Mansa College of Education, in the memory of Honorable Director Late Shri B. S. Saxena, under Nava Bihan Yojana, decided to provide free training to school students under the efficient guidance of National and International level players of B.P.Ed Department. For this Government Higher Secondary School Kurud Bhilai has been selected.

The Objective of the Practice :

- To promote interest among the students towards various sports.
- To develop the physical and mental development of the students.
- To prepare State and National level players in the state of Chhattisgarh.
- To teach the students the right way to play the game by telling them the new rules of the game.
- To develop sports skills in the students.
- To develop hidden talents and make them aware of the importance of sports.
- To promote the importance of sports in the society by giving a new dimension to the sports in the society by providing sports training in schools by the college students.

Criteria set by the college under Nava Bihan Yojana :

- Training will be given in the school selected by the college only, by the trainee teacher studying in the college.
- Students present in the camp will have to choose only one game according to their interest.

MANSA COLLEGE OF EDUCATION, KURUD, BHILAI

Celebrating C.G. Foundation Day

Session 2022-23

The Foundation Day celebration of the C.G. Foundation took place from November 1st to November 17th, 2022, organized by the Pt Deendayal Upadhyay Smriti Sansthan unit. The event was a grand success, with a total of 127 students participating in various activities and programs throughout the period.

The celebration marked a significant milestone for the foundation, reflecting its commitment to education and growth. The diverse range of activities and events provided a platform for both learning and enjoyment. The participation of 127 students showcased the foundation's impact on a considerable number of young minds.

Throughout the celebration, a series of events were organized, including workshops, seminars, cultural performances, and academic discussions. These activities aimed to foster a sense of community among the students while enhancing their knowledge and skills.

The dedication of the entire faculty was evident in the seamless execution of the events. Their hard work and enthusiasm ensured that the Foundation Day celebration was both engaging and meaningful for the students. The faculty's commitment to the foundation's ideals contributed significantly to the event's overall success.

The Foundation Day celebration not only celebrated the journey of the C.G. Foundation but also provided an opportunity for reflection on its achievements and future goals. The event served as a reminder of the foundation's dedication to nurturing young talents and contributing to their holistic development.

In conclusion, the Foundation Day celebration from November 1st to November 17th, 2022, organized by the Pt Deendayal Upadhyay Smriti Sansthan unit, was a resounding success. With 127 students participating, a dedicated faculty, and a range of diverse activities, the celebration reflected the foundation's commitment to education and growth. The event's success would not have been possible without the collective effort of all involved, and it stands as a testament to the foundation's impact on the lives of its students.

स्वच्छता पखवाड़ा

Session 2022-23

स्वच्छता पखवाड़ा की ओर एक महत्वपूर्ण कदम बढ़ते हुए, हमने 2 अक्टूबर 2022 से 3 अक्टूबर 2022 तक इस अद्भुत पहल को संगठित किया। इस पखवाड़े के दौरान, हमारे संगठन "पं. दीनदयाल उपाध्याय स्मृति संस्थान" द्वारा की गई आयोजना ने सभी को जागरूक किया कि स्वच्छता महत्वपूर्ण है और हम सभी की जिम्मेदारी है।

कुल 230 छात्रों ने इस प्रोग्राम में भाग लिया और इसके साथ ही सभी शिक्षक सदस्य भी इस कार्यक्रम में शामिल हुए। हम सभी ने मिलकर बालकों को स्वच्छता के महत्व के बारे में शिक्षा दी और उन्हें साफ-सुथरी और स्वच्छ रहने के लिए प्रेरित किया।

इस पखवाड़े के दौरान, हमने विभिन्न स्वच्छता अभियानों का आयोजन किया, समुदाय में सफाई अभियान चलाया और सभी को यह संदेश दिया कि हमें स्वच्छता को अपने दैनिक जीवन में अपनाना चाहिए।

इस पखवाड़े के सफल संचालन के लिए हम सभी संगठन के सदस्यों का आभार व्यक्त करते हैं, और हम सभी का साथी बनकर इस प्रयास में शामिल होने के लिए धन्यवाद देते हैं।

आगामी दिनों में भी हम सभी को स्वच्छता के प्रति जागरूक रहने की आवश्यकता है और हमारे इस प्रयास को एक सशक्त और सुरक्षित भविष्य की ओर एक कदम आगे बढ़ाने की दिशा में हमारे सभी का सहयोग आवश्यक है।

Workshop on ICT Tools

Session 2022-23

The collaboration between our organization and Digiturg LLP regarding the utilization of Information and Communication Technology (ICT) tools for enhancing collaboration and productivity. The collaboration took place on August 29th and 30th, 2023, with Mr. Ravi Mishra, the CEO of Digiturg LLP, leading the discussions. Total no. of 103 students attend the workshop.

To identify and evaluate various ICT tools that can facilitate effective communication and collaboration within and between organizations, to explore how these ICT tools can streamline workflows, increase efficiency, and support remote work arrangements

The collaboration with Digiturg LLP provided valuable insights into the potential of ICT tools to revolutionize collaboration and productivity. The discussions, evaluations, and demonstrations conducted during this collaboration laid the foundation for implementing these tools within our organization. The CEO of Digiturg LLP, Mr. Ravi Mishra, provided valuable guidance and expertise throughout the process.

Har Ghar Tiranga : Celebrating Aajadi Ka Amrit Mahotsav

Session 2022-23

मनसा कॉलेज ऑफ एजुकेशन में 15/08/2022 को स्वतंत्रता दिवस मनाया गया जिसमें B.ed, M.ed और B.Ped के सभी छात्रों ने भाग लिया और इसका उद्देश्य था हर घर तिरंगा: आजादी का अमृत महोत्सव मनाना। आजादी का अमृत महोत्सव भारत के स्वतंत्रता आंदोलन और स्वतंत्रता सेनानियों को श्रद्धांजलि देने के लिए मनाया जाता है। इसके अलावा, इस उत्सव के दौरान, देश भारत के स्वतंत्रता आंदोलन के दौरान सभी महत्वपूर्ण स्थलों को याद करेगा। भारत भविष्य के विकास के लिए नई शक्ति हासिल करेगा और आजादी का अमृत महोत्सव आजादी के मूल्य के अमृत की याद दिलाता है। यह महोत्सव भारत की जनता को समर्पित है, जिन्होंने न केवल भारत को उसकी विकास यात्रा में आगे लाने में महत्वपूर्ण भूमिका निभाई है, बल्कि उनके भीतर प्रधानमंत्री मोदी के भारत 2.0 को सक्रिय करने के दृष्टिकोण को संभव बनाने की शक्ति और क्षमता भी है, जो आत्मनिर्भर भारत की भावना से प्रेरित है। यह हम सभी का सौभाग्य है कि हम स्वतंत्र भारत के इस ऐतिहासिक काल को देख रहे हैं जिसमें भारत प्रगति की नई ऊंचाइयों को छू रहा है।

आज के स्वतंत्र भारत का नाम दुनिया में अग्रिम पंक्ति में लिखा हुआ है।

देश का नेतृत्व करने वाले सभी महान व्यक्तियों के चरणों में नमन करते हैं, जिन्होंने देश के स्वतंत्रता संग्राम में अपना बलिदान दिया।

Value Added Programme

Session 2022-23

Our college organized value added courses with the collaboration with Edify, Digiturg LLP, ESAF, Tekack Consulting LLC, Spiceorb, UTransformation. The value added courses aimed at enhancing the skill and knowledge of our students. These courses were designed to provide practical insight and develop competencies in various areas, including effective presentation making, thesis writing, research methodology in social science, basic concept of ICT tools, video editing, synopsis writing etc.

The value-added courses organized by our college have successfully provided students with a range of valuable skills and knowledge in diverse areas. These courses have equipped them with essential competencies such as effective presentation making, thesis writing, research methodology, ITC tools, video editing, and synopsis writing. The outcomes of these courses will undoubtedly contribute to the overall academic and professional growth of our students. We commend the efforts of the college in organizing these courses and look forward to more such initiatives in the future.

The inclusive participation of faculties of education and physical education was instrumental in making the program successful. Their collaborative efforts ensured the integration of academic and physical elements, provided a comprehensive support system, and fostered a positive learning environment. The program's success can be attributed to the joint contributions of both faculties, ultimately benefiting the participants and their overall development.

All the faculties of education and physical education have made a commendable contribution.

Self- Study Programme

Session 2022-23

This report aims to provide an overview of the self-study course offered by our college with the collaboration with Edify, Digiturg LLP, ESAF, Tekack Consulting LLC, Spiceorb, UTransformation. The self-study course is designed to empower students with the skills and knowledge required for independent learning and personal development. This report will outline the objectives of the course, the structure and content, as well as the benefits it offers to students.

The self-study course offered by our college empowers students with the skills and knowledge necessary for independent learning and personal growth courses such as effective video lecture, financial & digital literacy, Assessment techniques, technique and skill in sports, leadership style effective communication skill and thesis writing etc. Through its flexible structure and diverse content, the course enables students to develop self-motivation, time management, critical thinking, and research skills. The benefits of the self-study course extend beyond the classroom, equipping students with valuable competencies that will serve them well throughout their academic and professional journey. We commend the college for implementing this course and encourage students to make the most of this opportunity for self-directed learning and personal development.

The inclusive participation of faculties of education and physical education was instrumental in making the program successful. Their collaborative efforts ensured the integration of academic and physical elements, provided a comprehensive support system, and fostered a positive learning environment. The program's success can be attributed to the joint contributions of both faculties, ultimately benefiting the participants and their overall development.

All the faculties of education and physical education have made a commendable contribution.

छत्तीसगढ़िया ओलंपिक

Session 2022-23

छत्तीसगढ़ एक ऐतिहासिक राज्य है जो अपनी सांस्कृतिक धरोहर और खेल प्रेम के लिए प्रसिद्ध है। इसी प्रेम को बढ़ावा देने के उद्देश्य से, छत्तीसगढ़ सरकार ने "छत्तीसगढ़ ओलंपिक" योजना की शुरुआत की है, जिसका लक्ष्य छत्तीसगढ़ी खेलों को प्रमोट करना है।

प्रमुख खेल:

यह योजना गिल्ली डंडा, पित्तुल, सांखली, लंगड़ी दौड़, कबड्डी, खो-खो, रस्सा कस्सी और बाटी (कंचा) जैसे पारंपरिक छत्तीसगढ़ी खेलों को प्रोत्साहित करने के लिए आयोजित की गई है।

कार्यक्रम का आयोजन:

"छत्तीसगढ़ ओलंपिक" योजना ग्रामीण और नगरीय स्तरों पर आयोजित किया गया है, और इसका आयोजन छत्तीसगढ़ सरकार द्वारा किया गया है। इस कार्यक्रम में "मनसा शिक्षा महाविद्यालय" के बी.पी.एड. विभाग के 97 छात्र स्वयंसेवक के रूप में महत्वपूर्ण भूमिका निभाते हैं। इन छात्रों ने अपने सांस्कृतिक खेलों को प्रमोट करने के लिए विशेष प्रयास किए हैं। वे खेल के माध्यम से न केवल स्वस्थ जीवनशैली की प्रोत्साहना देते हैं, बल्कि छत्तीसगढ़ की धरोहर को भी बचाते हैं।

विशेषज्ञों की भूमिका:

खेल निर्णायक के रूप में शारीरिक शिक्षा विभाग के हेड डॉ. मेजर सिंह, टिकेश्वर साहू, अर्जुन लाल, मौसमी ठाकुर जैसे कर्मचारी भी इस कार्यक्रम में सहायक भूमिका निभाते हैं।

यह प्रयास दिखाता है कि "छत्तीसगढ़ ओलंपिक" योजना ने छत्तीसगढ़ी खेलों को प्रमोट करने में एक महत्वपूर्ण कदम उठाया है। यहाँ के युवा खिलाड़ियों को उत्साहित करने के साथ-साथ उन्हें अपने सांस्कृतिक विरासत के प्रति भी प्रेरित करने में यह योजना महत्वपूर्ण भूमिका निभाती है।

Workshop On Digital Learning

Session 2022-23

A comprehensive workshop on "Digital Learning" was organized in collaboration with Digiturg LLP from July 15 to July 18, 2022. The workshop aimed to provide valuable insights and strategies for effective digital learning methodologies. The resource person for the workshop was Mr. Ravi Mishra, the CEO of Digiturg LLP. Total 241 students attend the workshop.

Day 1 - July 15, 2022: The workshop commenced with an opening address by Mr. Ravi Mishra, wherein he highlighted the significance of digital learning in the current educational landscape. The attendees were introduced to various digital tools and platforms that facilitate engaging and interactive learning experiences. Mr. Mishra shared case studies showcasing successful implementation of digital learning methods.

Day 2 - July 16, 2022: On the second day, Mr. Mishra delved deeper into the pedagogical aspects of digital learning. He discussed the importance of personalized learning paths, adaptive assessments, and gamified learning experiences. The participants actively engaged in discussions and hands-on activities to understand how to create effective digital learning content.

Day 3 - July 18, 2022: The focus of the third day was on leveraging technology for learner engagement and motivation. Mr. Mishra emphasized the role of multimedia, virtual reality, and augmented reality in enhancing the learning process. Participants were exposed to various techniques for creating interactive multimedia content that caters to diverse learning styles. The workshop concluded with a

session on evaluating the effectiveness of digital learning initiatives. Mr. Mishra guided participants on using data analytics to measure learner progress and identify areas of improvement. The importance of continuous feedback and iterative improvement in digital learning was emphasized.

Key Takeaways:

The workshop underscored the importance of integrating digital tools into the learning process to enhance engagement and knowledge retention.

Participants gained insights into creating personalized learning experiences tailored to individual student needs.

The potential of multimedia, virtual reality, and augmented reality in creating immersive learning environments was explored.

Attendees learned how to assess and measure the impact of digital learning initiatives through data analytics.

The workshop on "Digital Learning" in collaboration with Digiturg LLP provided participants with a comprehensive understanding of innovative teaching methodologies. Mr. Ravi Mishra's expertise and practical insights offered valuable guidance for educators, trainers, and institutions aiming to adopt effective digital learning strategies. The event successfully equipped attendees with the necessary tools to embrace the digital transformation of education.

Community camp Programme Report

Session 2021-22

A community camp was organized at Siyan Sadan Old Age Home with the aim of providing various services and support to the elderly residents. The camp focused on health check-ups, distribution of masks and sanitizers, and providing food and other essential items. Additionally, a special activity was conducted at the Gothan (cow shelter) where cow dung was utilized for making diyas (traditional lamps) and agarbattis (incense sticks). One of the primary objectives of the community camp was to ensure the well-being of the elderly residents. To achieve this, a team of healthcare professionals and volunteers conducted health check-ups for all the residents. The check-ups included measuring vital signs, such as blood pressure and heart rate, as well as general physical examinations. Any health concerns were noted, and appropriate medical advice or referrals were provided. As a unique part of the camp, an activity was organized at the Gothan (cow shelter) within the premises. Cow dung, known for its various uses in traditional practices, was utilized to create diyas and agarbattis. The residents actively participated in this creative endeavour, shaping and decorating the diyas and rolling incense sticks. This activity aimed to promote a sense of connection to traditional practices while also engaging the residents in a meaningful and enjoyable way.

The community camp at Siyan Sadan Old Age Home proved to be a successful event, providing valuable health check-ups, essential supplies, and a special cultural activity. The camp contributed to the well-being of the elderly residents, ensuring their health and safety, while also fostering a sense of community and cultural preservation. The residents and staff members expressed gratitude for the support and care received during the camp, and it served as a reminder of the importance of such initiatives in providing holistic care to the elderly.

The inclusive participation of faculties of education and physical education was instrumental in making the program successful. Their collaborative efforts ensured the integration of academic and physical elements, provided a comprehensive support system, and fostered a positive learning environment. The program's success can be attributed to the joint contributions of both faculties, ultimately benefiting the participants and their overall development.

All the faculties of education and physical education have made a commendable contribution.

Community Camp : Covid Awareness In Kurud Village

Session 2022-23

The COVID-19 pandemic has brought unprecedented challenges to communities worldwide. In an effort to raise awareness and educate the residents of Kurud village, a collaborative community camp was organized on January 4, 2023. This initiative was a joint effort between local organizers and Tekack Consulting LLC, aimed at promoting COVID-19 awareness and safety measures.

Activities Conducted:

Hand Sanitizer Making Workshop: The event kickstarted with a hand sanitizer making workshop. Participants were educated about the importance of using hand sanitizers as a preventive measure against the spread of the virus. They were given practical demonstrations on how to make effective hand sanitizers using readily available ingredients.

Nukkad Natak (Street Play): A powerful nukkad natak (street play) was performed by a talented group of individuals. The play creatively conveyed the significance of wearing masks, maintaining social distancing, and following proper hygiene practices. The performance engaged the audience and effectively communicated key messages.

Mask Making Activity: The mask making activity provided participants with hands-on experience in crafting their own masks. They were guided through the process of creating masks that are both protective and comfortable to wear. This activity aimed to encourage the consistent use of masks as an essential preventive measure.

Interactive Games: To engage and educate the participants further, interactive games were organized. These games were designed to impart COVID-19 related knowledge in an enjoyable and memorable manner. Through these games, participants learned about various safety protocols and practices.

Participation: The event saw enthusiastic participation from a group of 98 B.Ed. students. Their active involvement showcased their commitment to community welfare and education. Their engagement in the various activities was both inspiring and impactful.

The community camp for COVID-19 awareness in Kurud village, in collaboration with Tekack Consulting LLC, proved to be a successful endeavor. The event effectively disseminated important information about COVID-19 safety measures and encouraged behavioral changes in line with preventive guidelines. The combined efforts of Sushma Koley, Sudipta Nandi, and the participants have contributed to the overall health and safety of Kurud village. This initiative stands as a shining example of community-driven awareness campaigns during challenging times.

Community Camp : Cyber Crime In School

Session 2022-23

The Community Camp organized by Mansa College of Education, under the guidance of Rajni Pagar and Pushpita Dasgupta, aimed to raise awareness about cybercrime among students. The event, in collaboration with Tekack Consulting LLC, took place on 10th January 2023. The objective was to educate and equip 100 students with essential knowledge to protect themselves from cyber threats.

Event Details: The camp was centered around the theme of cybercrime prevention. The focus was on imparting practical knowledge and strategies that students could employ to safeguard their digital presence. The event spanned a single day, during which a variety of interactive sessions were conducted.

Sessions and Activities: Introduction to Cybercrime: The camp began with an introduction to the different types of cybercrimes, including phishing, hacking, online harassment, and identity theft. Real-life examples were discussed to illustrate the severity of the issue.

Online Privacy and Security: Students were educated about the importance of maintaining online privacy and implementing strong security practices. They learned about setting strong passwords, enabling two-factor authentication, and being cautious while sharing personal information.

Social Media Awareness: A dedicated session focused on safe usage of social media platforms. Students were advised on adjusting privacy settings, recognizing and reporting inappropriate content, and being mindful of the information they share online.

Interactive Workshops: Small group workshops encouraged students to brainstorm and come up with strategies to respond to various cyber threats. This fostered collaboration and critical thinking among participants.

Cyber Ethics and Responsible Usage: The ethical aspects of online behavior were discussed, emphasizing the importance of treating others respectfully and not engaging in cyberbullying or harassment.
