PLAN OF ACTION 2018-19

Mansa Institution IQAC, as a part of its internal quality assurance took up the initiative to prepare a perspective plan for the period 2018 – 2019. The NAAC criteria served as a guide to preparing this draft perspective plan.

1. Curricular Aspects

The college follows the prescribed curriculum laid down by the **Hemchand Yadav University Durg** . For the current academic year, the college proposes the following:

- To organize collaborative workshops and seminars with a view to enhance the teacher education curriculum in various areas like Environment, Information and Communication Technology, etc.
- To organize several short and interesting workshops, seminars and courses to provide wide scope of understanding to the students.
- Seeking feedback from stakeholders on the curricular aspects of the program.
- To encourage publication of learning material for the benefit of students.
- To train student-teachers for inclusive practices.

2. Teaching – Learning and Evaluation

Teaching, learning and evaluation are the three vital processes in a teacher education programme. For the current academic year the college proposes the following:

- To organize orientation/training program for the Common Entrance Tests for B.Ed entrants.
- To strengthen our admission process and maintain its transparency and merit - based.
- To cater to diverse needs of students through varied services
- To cater to students' needs by strengthening our Tutorial and Remedial program through Communication Skill Development Programme & Language Lab activities, Mentor group.

- To bring in innovative practices in practice teaching.
- To strengthen reflective practices among student teachers on their practice lessons and other learning on the field.
- To extend and strengthen the student teachers' content knowledge and interest in their methods through club activities and content enrichment programs.
- To motivate teacher educators to experiment with interactive, participatory and innovative practices in the transaction of curriculum.
- To bring in an element of novelty and flexibility in assessment and evaluation through small initiatives like peer assessments.
- To integrate ICT in curriculum transaction, the overall working of the institution and feedback mechanism.
- To strengthen the use of ICT in assessment, evaluation processes and delivery of instruction.

The college plans to identify and implement good practices for enhanced teaching, learning and evaluation processes. We propose the following small steps:

- Provide opportunities to students for field experiences related to the syllabus.
- For every course, one unit/subunit be assigned for self-study. The instructional material for this will be made available in the library as well as in digital format. This unit should be evaluated.
- The college envisages enriched staff development programs for capacity building in varied areas.
- Strengthen evaluation of teachers through self-appraisals and student feedback.
- To set up repository of institutional study materials.
