## Outcome

The internal and external activities of the college have given their own identity at the university level. The trainees of the colleges have given their full participation in the programs organized at the university level. Along with this, the program Nava Bihan organized in the memory of B.S. Saxena Sir, the inspiration behind the college, who had laid the foundation of this college, has achieved a milestone in highlighting the rural sports talent and bringing a new approach towards sports, which is quite commendable.

## Follow Up

The indomitable and wonderful efforts of the college have provided a new vision of thinking not only in the field of education but also among the people of the society and such efforts will continue in future also. Which will develop the physical, mental, technical and psychological skills of the trainees.
