

# **MANSA COLLEGE OF EDUCATION**

## **VALUE-ADDED COURSES MECHANISM**

### **Purpose:**

Value added courses are done in addition to the curriculum. Value Added Courses are those that are designed to raise students' standards above and beyond the levels specified in the academic curriculum. to improve students' employability & to bridge the gap between the curriculum and the needs of the industry

### **Aims & Objectives –**

- Value-Added courses are part of the curriculum designed to provide necessary skills to increase the employability quotient and equipping the students with essential skills to succeed in life.
- To provide students an understanding of the expectations of industry.
- To bridge the skill gaps and make students industry ready.
- To provide an opportunity to students develop their inter-disciplinary skills.
- To mould students as job providers rather than job seekers

### **Rules & Responsibilities**

- Value Added Course is not mandatory to qualify for any program.
- The value added courses may be also conducted during weekends / vacation period.
- A student shall register for a Value Added Course offered during the semester by submitting the duly filled in registration form.
- Each faculty handling a course shall be responsible for the maintenance of Attendance and Assessment Record for candidates who have registered for the course.
- Relaxation of attendance requirement up to 10% may be granted for valid reasons such as illness, representing the University in extracurricular activities As per the requirement & to foster student Valued added course will be introduced in online, offline & hybrid mode throughout the year.
- The duration of value added course should not be less than 30 hours in which all the sessions are compulsory for the participant to attend.
- Certificate of the course will be issued to participant with minimum 75% of attendance, below 75% of attendance in any of the course will not be entairtained.
- Students are allowed to take part as many as courses along with their semesters they want to participate without the disturbance of their academic parts.
- The students who have successfully completed the Value Added Course shall be issued with a Certificate duly signed by the Authorized signatories.

## Mechanism

The course is offered to the students of the department as a means of enhancing employability opportunities for students in their respective fields .The students gain competence to assess, monitor and evaluate the strengths and weaknesses to ensure continual learning progress. It will be offered each batch comprising of a minimum of 25 students. Students who successfully complete the course will receive the certificate.

## Expected outcome :

- These programs enable students to gain more holistic perspective.
- Value added course will help students in better understanding of current industry challenges, as well as to gain and develop innovative and creative skills through a diverse range of course offerings.
- The value-added programs supplement students learning and prepare them for the challenges of professional life.
